CodeClub INFO FOR ADULTS

Access CodeClub at home!
Go to app.prenda.co and login with your username and password or create an account.

You can pass off workshops and missions at home for yourself and your child! When you or your child have completed a task, click on the "Done" button and type in the **sign off password**: stawesome

Make sure you take time to let your child show what he or she has created. Praise your child for creativity, learning something new, anything you want!

Check the library website for more CodeClub info and events.
